Application of: Benton F. Baugh
Application no. 09/398,276
Filed: September 20, 1999
For: SUBSEA PIPELINE BLOCKAGE REMEDIATION METHOD

RENEWED PETITION UNER 37 CFR 1.137(b)

I am refiling this petition per conversation with Douglas Wood (703-308-6918). This invention has been considered critical to our business at all times.

I unintentionally missed the filing date for an office action in 2001 and then filed a revival petition with the wrong fee included. When the dismissal notice for the petition was mailed, I never received it. My business operations are systematic enough that I presently have 17 patents filed "pro se" and do not make it a habit of losing things.

I began to call this spring regarding what had happened to the application and learned of the dismissal. I have just received a copy from Douglas Wood and am upgrading the revival petition with this package.

I appreciate your assistance in this matter.

Regards,

Benton F. Baugh, Ph.D., P.E.
